

Rainchild

Chorus:

Father, forgive me
I won't come home
Mommy just loved me
But you left me alone

Many days I walk a lonely road to nowhere
To noone I could talk, Why did noone care

Chorus

Many days I pray for another day
A better day to see that there will be a way

Chorus

Bridge:

WHY, OH WHY?! (6x)

And all the nights are cold, my sun has gone
Heart and soul I've sold
There's only rain that breaks the dawn

Chorus (3x)
